And remember, we also offer training sessions on National Library for Health and electronic books. Please contact the library for further details. You can view the presentation via the 'Training' area of the library website.

Tuition

Group tuition sessions

Our 'Bitesize' tuition sessions are run each Monday. There are nine sessions. Think of them as the **literature searching process** broken down into manageable 'chunks'.

A brochure is available on request – tel. 0161 206 5405 or e-mail the library on library.hope@manchester.ac.uk

You can also visit the **new** website training section of the library website to view the presentations.

These include

- **Introduction to National Library for Health** (formerly, NeLH, ADITUS)
- **Introduction to subject searching**
- **Introduction to free text searching**

- **Introduction to evidence-based healthcare information**

What's in the pipeline ...

We have also used these sessions to plan longer literature searching sessions. Watch out for more news on these.

... and remember, we still offer 1-2-1 sessions on literature sessions. We can also deliver the 'Bitesize' sessions on an individual basis on request.

Tel: 0161 206 5405 / 206 0842 / 206 5971

e-mail: library.hope@manchester.ac.uk

Computers

Don't forget – laptops are available for loan within the library. These connect to the hospital network and can be used for searching, word processing and e-learning.
