## Tuition

### Group tuition sessions

Our 'Bitesize' tuition sessions are run each Monday. There are nine sessions. Think of them as the **literature searching process** broken down into manageable 'chunks'.

A brochure is available on request – tel. 0161 206 5405 or e-mail the library on [library.hope@manchester.ac.uk](mailto:library.hope@manchester.ac.uk)

You can also visit the **new** website training section of the library website to view the presentations.

These include

- **Introduction to National Library for Health** (formerly, NeLH, ADITUS)
- **Introduction to subject searching**
- **Introduction to free text searching**
- **Introduction to evidence-based healthcare information**

**What's in the pipeline ...**

We have also used these sessions to plan longer literature searching sessions. Watch out for more news on these.

**... and remember, we still offer 1-2-1 sessions on literature sessions.** We can also deliver the 'Bitesize' sessions on an individual basis on request.

**Tel:** 0161 206 5405 / 206 0842 / 206 5971  
**e-mail:** library.hope@manchester.ac.uk

---

## Computers

Don't forget – **laptops** are available for loan within the library. These connect to the hospital network and can be used for searching, word processing and e-learning.
