## Library Information

### Tuition

Do you need help to access Athens passwords? Do you find Aditus baffling or wonder what the National electronic Library for Health is all about?

Don't worry tuition is available 12-6 Monday to Friday. To book a tuition session ring ext 65405 or ask at the enquiry counter.

### Help Wanted

What do you want from your library? Different books or journals or maybe you have ideas about how we can deliver the evidence. The library is looking for views and recommendations to help improve the service we provide. We are also looking for volunteers to meet with us, to discuss ways in which we can improve the delivery of the information you require, whether it is clinical, research, professional development or general. So if you have any ideas or recommendations for library services within the Trust, please contact the Library Manager, Valerie Haigh, on ext 65753.
