Library Information

*** New Opening Times ***

The library now opens at 8.30am every morning Monday – Friday

Easter Opening Times

The library will be closed Friday 25th March and Monday 28th March. Any further changes will be notified through our website on www.hop.man.ac.uk/Academic/library1/

e-Journals

From January 2005 half the library's e-journal collection will be available through Swetswise (www.swetswise.com). This system is connected to your NHS athens password, so please ensure you have all registered for your password through Aditus.

For e-journals that are not listed on Swetswise a list of usernames and passwords is being prepared, and will be available from the library for all departments and library users.

For help in registering for an athens password ring 65405, for further information on e-journal access contact Valerie Haigh on ext 65753.

is here.

The system is only accessed through special links available through the networks based on this site.

Academic Network: click on the UpToDate icon which is at the bottom of the library homepage, www.hop.man.ac.uk/Academic/library1/

Hospital Network go into Academic page and click on UpToDate line, or go to the Clinical page and the link is under medical staff .

Please Note – there is no access via the UpToDate website.

Tuition

Do you need help to access Athens passwords? Do you find Aditus baffling or wonder what the National electronic Library for Health is all about? Is there a literature search that is baffling you? Don't worry, help and tuition sessions are available in the library. To book a tuition session or ask for help ring ext 65405, email libmail@fs1.ho.man.ac.uk or ask at the enquiry counter.
